The Company is pleased to announce the basis of acceptance of applications received in respect of the €13,000,000 5% Secured Bonds 2029 (the “**Bonds**”). In terms of the Prospectus dated 9 November 2022 (the “**Prospectus**”), the Bonds were available for subscription by holders of the 6% Secured and Guaranteed Notes, (the “**Callable Bondholders**”).

The Company received a total of 1,474 applications (including applications under nominee) for a total value of €14,636,100.

Callable Bondholders were given preference to subscribe for the Bonds by surrendering their respective Callable Bonds, subject to a minimum application of €2,000. Callable Bondholders were also given the opportunity to apply for additional Bonds.

Total Callable Bonds transferred to the Company in exchange for the Bonds amounted to €5,351,800 representing *circa* 41% of the total Callable Bonds. This amount was allocated in full. Furthermore, the Company allocated in full applications by Callable Bondholders whose holding in the Callable Bonds was less than the minimum subscription of €2,000 and were required to pay the difference between their current holding in the Callable Bond and the minimum application amount of €2,000 in terms of the Bonds to enable them to apply for the Bonds (the “**Cash Top-Up**”).
